So far as possible, those who have suffered from Indian depredations and raids between the years 1861 and 1871, should be

prompt in laying their claims before the com-

mission now assembled at Salina. Considerable excitement was raised in Ellsworth, Monday last, over the arrest of a party of men supposed to be horse theives. It seems that the notorious George Sanderson, having a Louis, Chicago, Kansas City and Leavenworth, grudge against deputy U. S. Marshal Seiber for his efforts on many occasions to arrest the former, took occasion to give him him a very severe whipping. Seib er then arrested Sanderson, his aiders and abettos, and started them under a guard of soldiers for Brookville, where, upon their arrival, they were turned over to Barney Bohan, Marshal of that place, who put them into the lock-up, the guard of soldiers being placed on the outside. In a short time a large party of mounted men, armed to the Mr. Humbarger and Mr. W. A. Short have teeth, from Ellsworth, came flying into town.

els per acre. The wheat stalks shown us by operations. At an opportune moment, a band of soldiers from Harker, under the command in length. Both of these gentlemen are good farmers, and both have raised good crops each farmers, and both have raised good crops each field, and rather balked the movements of the pear, assisting in the demonstration that Kansas is a good agricultural country.

Our good friend, Capt. M. Wiley, started for Texas last Thursday. The Captain is held in high esteem among our citizens, and is known as a gentlemen of culture and refinement. We regard to "part company" with him, but are retry much pleased to inform our readers that he will regularly furnish The Journal with command, "make ready, aim," put an end to the battle, and has country, recoming problems of travel and his impressions of Texas. Such, as near as we now can learn, is a complete history of the "Battle of Brooks." Will be a strong property of the make in a complete history of the "Battle of Brooks." Will be a special of soldiers. The Captain is a very pleasant writer, and his congributions cannot full to entertain our residers of travel and his impressions of Texas. Such, as near as we now can learn, is a complete history of the "Battle of Brooks." Will be a strong property in my last and will be entertain our readers that the will regularly furnish the control of the strong descriptions of travel and his impressions of Texas. Such, as near as we now can learn, is a complete history of the "Battle of Brooks." Will be such day of May A. D., will be controlled to the factor of the make of the make of the make of the such as the make of the such as the such a year, assisting in the demonstration that Kan- assailants.
